Subject: RE: Wilmington Marine Services or Berth 162, 801 South Fries Avenue in Wilmington PCB Site

Hi Karen,

I hope you are doing well! I just sent you all the emails I have that are responsive or potentially responsive for Wilmington.

Thanks,
Cynthia

Hi Cynthia! Hope things are going well in SFD.

Did you see the attached FOIA request for Wilmington? It's asking for all email communications with the Port of LA concerning the Wilmington site. I'm sure you placed a lot of files into ERRC so I can pull up these and download them but do you have responsive email files?

Thanks,
Karen

Hi Karen – I've attached a response letter that was received in regards to a FOIA request for the Wilmington Marine Services site (FOIA request is also attached). I understand from Carmen that you are the project manager for this site. Would you have some time today to discuss this with me?

I can be reached at 415.497.2732.

Thank you,
Carl
